

STANISLAV LYSOKON

Business Analyst | Product Owner

[Amsterdam](#) / [+31 63 127 37 00](tel:+31631273700) / s.lysokon.nl@gmail.com / [LinkedIn profile](#)

PROFESSIONAL SUMMARY

Business Analyst with experience in banking across retail, SME, and corporate domains, focusing on digital transformation and fintech integration initiatives. Supported backlog management and business requirements definition for national-scale fintech integrations covering payments, retail, and partner platforms, with exposure to KYC/AML, credit, and risk processes. Experienced in remote onboarding and digital product activation initiatives. Worked closely with business stakeholders, IT teams, compliance functions, and external vendors to analyse processes, clarify requirements, and support delivery in Agile/Scrum environments. Skilled in translating regulatory and business needs into functional requirements, user stories, and acceptance criteria.

Based in Amsterdam and eligible to work in the Netherlands/EU without employer sponsorship.

WORK EXPERIENCE
